Acknowledgements

I would like to express my deep gratitude and appreciation to everyone who contributed to the completion of this thesis. First of all, I would like to convey my heartfelt gratitude to Dr. Pritpal Singh Bhullar, Assistant Professor, University Business School, MRSPTU, Bathinda, for his thorough guidance and supervision during this work. His mentoring contribution is shown throughout my entire scholarly work. I am really lucky to have Dr. Pritpal Singh Bhullar as my supervisor. I am highly indebted to Dr Sanjeev Sharma, Professor, UIAMS, Panjab University, Chandigarh, as well as Dr Sultan Singh, Professor, CDLU, Sirsa, who helped me with amazing ideas at the early stage of the thesis. I would like to express my appreciation to the faculty members of the University Business School, MRSPTU, Bathinda, for their kind cooperation at all stages.

I am grateful to the Dean (R & D), MRSPTU, Bathinda, Dean, Faculty of Commerce and Management, and other DDRC members for their insightful comments, which have greatly improved this Ph.D. research work. I also thank the administrative and technical staff of MRSPTU, Bathinda, for their prompt assistance and support in their respective roles.

I would like to convey my sincere thanks to Dr Ambika Sharma, Assistant Professor, SGHS College Sri Jiwan Nagar, whose immense support and encouragement really motivated me to complete my thesis, and she also guided me to put together the pieces of my "jigsaw" thesis. I wish to profusely thank Dr Ritu, Assistant Professor, CDLU, Sirsa, Ms Veena Gautam, Research Scholar, CDLU, Sirsa, Mrs Monika Bhatia, and Mrs Priya, Research Scholars, MRSPTU, Bathinda, for keeping me motivated in my research attempt.

No research is possible without the library, the centre of learning resources. I would like to express my gratitude to all the library staff at the university for their services.

Finally, I would like to thank each and every friend and colleague of mine and my family members who have supported me in this endeavour.
